INTRODUCTION.

The City has annually since 1821 issued a volume containing, until 1829, a register of the City Council and a list of the officers. In 1829 the City Charter, in 1830 the Acts relating to Boston and the ordinances, and in 1832 an index, were added. The volume for 1822 contains fifteen pages, and for 1840 eighty-five pages, and three pages of index. The volumes up to and including 1840 bear the title of *The Rules and Orders of the Common Council* and since that year the title of *THE MUNICIPAL REGISTER*. *THE MUNICIPAL REGISTER* for 1841 contains the Rules and Orders of the Common Council, joint rules, ordinances of the City, statutes of the Commonwealth relating to the City, a list of the public schools, the City Government of 1841, the committees and departments (consisting at that time of the treasury, law, police, health, public land and buildings, lamps and bridges, fire, and public charitable institutions), and a list of the ward officers; from 1842 to 1864 it also contains a list of the members of preceding City Governments, a necrological record of those members, the latest ordinances and the special statutes relating to the City; in 1851 a list of the annual orators was added, and in 1853 a map of the City and the Rules of the Board of Aldermen were inserted; in 1876 statistics of registration and voting were included, and, since 1879, in tabulated form; in 1883 portraits of the Mayor and presiding officers of the two branches of the City Council were included, and in 1888 a list of the members of the past City Governments of Roxbury and Charlestown was added, and continued to 1890. From 1889 to 1896, inclusive, *THE MUNICIPAL REGISTER* contained a compilation of the Charter and Acts subsequently passed, in the place of which an index of said Charter and Acts was substituted in 1897. The Boston Charter and index are again omitted this year; otherwise, *THE MUNICIPAL REGISTER* of this year is in substantially the form of all other *MUNICIPAL REGISTERS* since 1889.

By the direction of the Joint Committee on Rules and Orders *THE MUNICIPAL REGISTER* of 1909 has been compiled by the Statistics Department. Text and tables have been revised, and several new tables, with additional text, have been incorporated.

ORIGIN AND GROWTH OF BOSTON.

THE Royal Patent incorporating the Governor and Company of Massachusetts Bay in New England passed the seals March * 4, 1628-29. At a General Court, or Meeting of the Company, on August * 29 of that year it was voted "that the Government and patent should be settled in New England." To that end Governor Winthrop led the Puritan Exodus in 1630. Soon after his arrival at Salem on June * 12, 1630, he proceeded with a large following to Charlestown, where a plantation had been established the summer before. The Assistants held three Courts at Charlestown in the interval, August * 23 to September * 28, inclusive. At their meeting on September * 7, they "ordered that Trimountaine shalbe called Boston; Mattapan, Dorchester; and the towne upon Charles River, Waterton." Thus Shawmut of the Indians was named Boston, probably out of gratitude to the Merchants of Boston in Lincolnshire, who had subscribed generously to the stock of the Company.

In the course of the summer, Governor Winthrop with the patent chose Boston as his abiding place. The first "Court" held in Boston was a "General Court" on October * 19, "for establishing of the government." On October * 3, 1632, Boston was formally declared to be "the fittest place for publique meetings of any place in the Bay."

Boston was the first town in Massachusetts to become a city. It was incorporated February 23, 1822, by St. 1821, c. 110, adopted March 4, 1822. This act was revised by St. 1854, c. 448, commonly called the City Charter, adopted November 13, 1854.

The neck of land called Boston, still called Boston Proper, contained perhaps 700 acres of land, judging from the 783 acres shown by the official survey of 1794. In the interval 1630-37, Boston acquired jurisdiction over most of the territory now included in Chelsea, Winthrop, Revere, East Boston, Brookline, Quincy, Braintree, Randolph and Holbrook, besides certain

* Old Style.

islands in the harbor. From 1637 till May 13, 1640, when "Mount Woollaston" was set off as Braintree, Boston exercised jurisdiction over a territory of at least 40,000 acres. Within its present limits there are only 27,300 acres, including flats and water.

Since 1640, grants of land have been made to Boston by the General Court as follows: (1) October * 16, 1660, 1,000 acres "for the use of a free schoole, layd out in the wilderness or North of the Merimake River" (in Haverhill), in 1664. (2) June * 27, 1735, in abatement of Province Tax, three townships, each six miles square, or 69,120 acres in all. These townships later became the Towns of Charlemont, Colrain, and Pittsfield. Boston sold its interest in them June * 30, 1736, for £3,660. (3) June 26, 1794, a township of land in Maine (23,040 acres) "to build a public hospital." This tract was sold by the City April 6, 1833, for \$4,200.

Muddy River was set off as the Town of Brookline on November * 13, 1705, and Rumney Marsh was set off as the Town of Chelsea January * 8, 1739.

The principal annexations of territory included within the present limits of the City of Boston have been made as follows:

(1) Noddle's Island, by order of Court of Assistants, March * 9, 1636-37. (2) South Boston set off from Dorchester March 6, 1804, by St. 1803, c. 111. (3) Washington Village set off from Dorchester May 21, 1855, by St. 1855, c. 468. (4) Roxbury January 6, 1868, by St. 1867, c. 359, accepted September 9, 1867. Roxbury received its name by order of the Court of Assistants October * 8, 1630. It was incorporated a City March 12, 1846, by St. 1846, c. 95, accepted March 25, 1846. (5) Dorchester January 3, 1870, by St. 1869, c. 348, accepted June 22, 1869. It received its name September * 7, 1630, by order of the Court of Assistants. (6) Brighton January 5, 1874, by St. 1873, c. 303, accepted October 7, 1873. Set off from Cambridge as the Town of Brighton February 24, 1807, by St. 1806, c. 65. (7) Charlestown January 5, 1874, by St. 1873, c. 286, accepted October 7, 1873. Settled July * 4, 1629. It was incorporated a City February 22, 1847, by St. 1847, c. 29, accepted March 10, 1847. (8) West Roxbury January 5, 1874, by St. 1873, c. 314, accepted October 7, 1873. It was set off from Roxbury and incorporated a Town May 24, 1851, by St. 1851, c. 250.

THE CITY SEAL

As it appeared prior to 1827.

The City Seal was adopted by "An Ordinance to Establish the City Seal," passed January 2, 1823, which provides "That the design hereto annexed, as sketched by John R. Penniman, giving a view of the City, be the device of the City Seal; that the motto be as follows, to wit: 'Sicut patribus sit Deus nobis'; and that the inscription be as follows:— 'Bostonia condita, A.D. 1630. Civitatis regimine donata, A.D. 1822.'" The motto is taken from 1 Kings, viii., 57.

The seal as it then appeared is shown above.

The seal as it was afterwards changed, and has ever since continued to be used, first appeared on page 221 of the volume of laws and ordinances, commonly known as the "First Revision," published in 1827, and is continued as the City Seal at the present time by Revised Ordinances of 1898, Chapter 1, Section 5, which provides that "The seal of the City shall be circular in form; shall bear a view of the City; the motto 'SICUT PATRIBUS SIT DEUS NOBIS,' and the inscription, 'BOSTONIA CONDITA, A.D. 1630. CIVITATIS REGIMINE DONATA, A.D. 1822,' as herewith set forth."

The seal as changed in 1827, and as it has ever since appeared, is shown opposite the title page.

RULES AND ORDERS.

RULES OF THE BOARD OF ALDERMEN.

CHAIRMAN.

RULE 1. The chairman of the board shall take the chair at the hour to which the board shall have adjourned, and shall call the members to order, and, a quorum being present, shall cause the minutes of the preceding regular meeting to be read. In the absence of the chairman, the senior member present shall preside as chairman *pro tempore*, but if there are two or more members present of equal degree of seniority, the board shall by vote designate the one who shall so preside.

RULE 2. The chairman shall preserve decorum and order, may speak to points of order in preference to other members, and shall decide all questions of order, subject to an appeal to the board. Any member may appeal from the decision of the chair, and no other business, except a motion to adjourn, shall be in order until the question on appeal has been decided. The question shall be put as follows: "Shall the decision of the chair stand as the judgment of the board?" The vote on the question shall be by a roll call, and it shall be decided in the affirmative unless a majority of the votes are to the contrary.

RULE 3. The chairman shall propound all motions in the order in which they are moved, unless the subsequent motion shall be previous in its nature, except that, in naming sums and fixing times, the largest sum and the longest time shall be put first; *provided*, that this rule shall not be construed to mean that the original motion shall be put previous to amendments and substitutions.

RULE 4. The chairman shall, at the request of any member, make a division of a question when the sense will admit.

RULE 5. The chairman shall, without debate, decide all questions relating to priority of business to be acted upon.

RULE 6. The chairman shall declare all votes; but if any member doubts a vote, the chairman shall cause a rising vote to be taken; and, when any member so requests, shall cause the vote to be taken or verified by yeas and nays.

RULE 7. The chairman shall appoint all committees, fill all vacancies therein, and designate the rank of the members thereof.

RULE 8. When the chairman of the board or the chairman *pro tempore* shall desire to vacate the chair, he may call any member to it; but such substitution shall not continue beyond an adjournment.

MOTIONS.

RULE 9. Every motion shall be reduced to writing if the chairman shall so direct.

RULE 10. A motion to strike out and insert shall be deemed indivisible; but a motion to strike out being lost shall not preclude amendment, or a motion to strike out and insert.

RULE 11. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

RULE 12. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation, be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order :

1. To a standing committee of the board.
2. To a special committee of the board.
3. To a joint standing committee.
4. To a joint special committee.

RULE 13. After a motion has been put by the chairman, it shall not be withdrawn except by unanimous consent.

RULE 14. When a question is under debate the following motions only shall be entertained, and in the order in which they stand arranged:

1. To adjourn.
2. To lay on the table.
3. To postpone to a day certain.
4. To commit.
5. To amend.
6. To postpone indefinitely.

RULE 15. A motion to adjourn shall be in order at any time, except on an immediate repetition, or pending a verification of a vote; and that motion, the motion to lay on the table, and the motion to take from the table, shall be decided without debate.

READINGS.

RULE 16. Every ordinance, order, and resolution reported by a committee shall, unless rejected, have two several readings, both of which may take place at the same session, unless objection is made. Whenever the second reading immediately follows the first reading, the document may be read by its title only. Orders from the board of street commissioners changing the names of streets, and orders granting locations for poles or posts, shall, however, have one reading only at the same session.

CONFIRMATIONS.

RULE 17. The question of confirming a nomination made by the mayor shall be decided by a yea and nay ballot.

RECONSIDERATION.

RULE 18. When a vote has been passed, any member may move a reconsideration thereof at the same meeting; or he may give notice to the clerk, within twenty-four hours of the adjournment, of his intention to move a reconsideration at the next regular meeting; in which case the clerk shall retain possession of the papers until the next regular meeting; and when a motion for reconsideration is decided that vote shall not be reconsidered.

CONDUCT OF MEMBERS.

RULE 19. Every member when about to speak shall rise, address the chair, and wait until he is recognized, and in speaking shall confine himself to the question, and avoid personalities. Any member who, in debate or otherwise, indulges in personalities or makes charges reflecting upon the character of another member, shall make an apology in open board at the meeting when the offence is committed or at the next succeeding regular meeting, and, failing to do so, shall be named by the chairman or held in contempt and suspended from further participation in debate until said apology is made.

RULE 20. No member speaking shall, without his consent, be interrupted by another, except upon a point of order.

RULE 21. No member shall be permitted to vote on any question, or serve on any committee, where his private right is immediately concerned, distinct from the public interest.

RULE 22. Every member who shall be present when a question is put, where he is not excluded by interest, shall give his vote, unless the board for special reasons shall excuse him. Application to be so excused on any question must be made before the board is divided, or before the calling of the yeas and nays; and such application shall be accompanied by a brief statement of the reasons, and shall be decided without debate.

STANDING COMMITTEES.

RULE 23. The following standing committees of the board, to consist of five members each, except where otherwise herein provided, and the members of the joint standing committees on the part of this board, named in the joint rules and orders of the city council, and all other committees, unless otherwise provided for or specially directed by the board, shall be appointed by the chair:

Committee on Armories and Military Affairs — County Accounts — Electric Wires — Fanuil Hall and County Buildings — Lamps — Licenses — Markets — Railroads — Public Improvements, to consist of all the members of the board.

ORDER OF BUSINESS.

RULE 24. At every regular meeting of the board the order of business shall be as follows:

1. Communications from his honor the mayor.
2. Presentation of petitions, memorials and remonstrances.
3. Hearings.
4. Papers from the common council.
5. Unfinished business of preceding meetings.
6. Orders of notice of hearings.
7. Reports of city officers.
8. Reports of committees.
9. Motions, orders and resolutions.

REPORTS OF COMMITTEES.

RULE 25. Committees of the board, to whom any matter is especially referred, shall report within four weeks, or ask for further time.

SPECTATORS.

RULE 26. No person, except a member of the board, shall be permitted to occupy the seat of any member while the board is in session.

RULE 27. No persons, excepting members of the city council, heads of departments, and reporters, shall be allowed in the anteroom of the aldermanic chamber while the board is in session. No person shall be allowed to enter the aldermanic chamber while the board is in session, after the seats furnished for spectators are occupied. The city messenger shall enforce this rule.

LICENSES.

RULE 28. No permission for the use of land for the purpose of burial, nor for the construction of underground conduits, shall be granted until a public hearing shall have been given by the board of aldermen on the application for such permission. No permission shall be granted for the erection of poles, piers, abutments or other fixtures for the support of electric wires unless the applicant for such permit, except in the case of a city department, shall bear the expense of the notification required by the provisions of chapter 237 of the Acts of 1903; the bills for said expense to be made by the city clerk, and to be paid to the city collector.

RULE 29. Every license or permit hereafter granted for the location of a street railway track, the erection of a pole or post, the construction of an underground conduit, the laying of a pipe or wire, or for the doing of any other work which may involve the disturbance of a surface of a street, shall specify the time within which the contemplated work shall be done, and shall not confer authority to do any such work after the expiration of such specified time.

LAMPS.

RULE 30. Any person desiring a lamp to be erected in any way shall make application therefor to the superintendent of streets, who shall examine the place where it is proposed to locate the lamp and report thereon to the board; *provided, however*, that if the lamp is to be an electric lamp the superintendent shall obtain the opinion of the commissioner of wires on the location, and forward to the board the opinion with his report.

SMOKING IN THE ALDERMANIC CHAMBER.

RULE 31. No smoking shall be allowed in the aldermanic chamber when the board is in session.

AMENDMENT AND SUSPENSION.

RULE 32. The foregoing rules shall not be altered, amended, suspended or repealed, at any time, except by the votes of two-thirds of the members of the board of aldermen present and voting thereon.

RULES AND ORDERS OF THE COMMON COUNCIL.

RULE 1. Unless otherwise ordered from time to time the regular meeting of the common council shall be held on every Thursday, at 7.45 o'clock P. M., and, on the appearance of a quorum, the council shall be called to order. In the absence of the president the oldest senior member present shall take the chair, and a president *pro tempore* shall be chosen by ballot; and, if an election is not effected on the first trial, on subsequent trials a plurality vote shall elect.

The roll shall be called at each meeting of the council, at the discretion of the president, but not later than nine o'clock.

When the meeting of the common council is called to order it shall be the duty of the city messenger to cause the electric bell in the ante-chamber to be rung for the purpose of notifying the members that the body is in session, and for the three minutes next following the ringing of the bell no business shall be transacted and no member recognized by the chair for any purpose.

PRESIDENT.

RULE 2. The president shall appoint and announce all committees, unless otherwise ordered, and shall communicate his appointments to the council at the meeting following such action, if not made during a session. All vacancies upon committees shall be filled in the manner of original appointment; and members so appointed shall take rank according to the date of their appointment, unless otherwise designated by the president.

RULE 3. The president may at any time call another member to the chair; but such substitution shall not continue beyond an adjournment. In all cases the president may vote.

RULE 4. The president shall preserve order in the council chamber during sessions of the council, and in case any member, other than the one recognized by the chair, insists on occupying the floor for any purpose, except to rise to a point of order or question of personal privilege, he shall upon request of the president take his seat, and upon refusal to comply with such request, said member shall by a majority vote of the members present and voting be removed from the council chamber, such removal to remain in effect during the remainder of the session, unless otherwise ordered. The president shall forbid smoking in the council chamber.

CLERK.

RULE 5. The clerk shall keep a record of the acts, votes, and proceedings of the common council, and a separate record of all decisions

of the chair upon questions of order. He shall have the care and custody of all papers belonging to this branch of the city council, and shall prepare a schedule of business in order for each meeting, in such manner as the president may direct.

He shall draw up and send all messages to the board of aldermen; and shall retain in his possession all papers until the right to file a notice of reconsideration has expired, and if such notice is made he shall keep the papers pertaining thereto until the right of reconsideration has expired.

CONDUCT OF MEMBERS.

RULE 6. Except when otherwise provided, no member shall speak for more than fifteen minutes, and a further equal time if the council so vote. No member shall speak a second time on a question, if another member, who has not spoken, claims the floor.

RULE 7. No member speaking shall be interrupted by another, except upon a point of order.

Every member, while speaking, shall confine himself to the question under debate, and shall refrain from personalities, and shall not refer to any other member of the council except by a respectful designation; and no member shall speak or vote out of his place without leave of the president.

QUORUM.

RULE 8. Whenever a member raises a doubt of a quorum being present, the chair shall ascertain and declare whether a quorum is present or not. For this purpose he may at his discretion, or on motion, sustained by one-fifth of the members present, order the roll to be called. If a quorum is not present he shall declare the council adjourned.

COMMITTEES.

RULE 9. All matters relating to the election of members shall be referred to the standing committee on elections, which shall consist of five members.

RULE 10. There shall be a standing committee on judiciary, consisting of five members, who shall have the power to obtain the opinion of the corporation counsel on all matters that shall be referred to them.

RULE 11. All committees of this council shall be notified of their meetings by the clerk of committees. They shall not sit during sessions of the council without special leave, nor be called on less notice than twenty-four hours from the time the notices are mailed by the clerk or despatched by special messengers, unless all the members consent; and the clerk shall keep a record of their doings. The member first named shall be chairman, unless otherwise ordered by the committee, in which case the council shall be notified of the change; and the same rule shall apply to the members serving on joint committees.

RULE 12. Special committees of the council shall consist of three members, unless otherwise ordered.

RULE 13. No report of any committee shall be received unless agreed to by such committee at a duly notified meeting thereof. Such report, when presented, may be ordered to be printed, and shall then take its place among the unfinished business for consideration at the next meeting.

COMMITTEE OF THE WHOLE.

RULE 14. When the council shall determine to go into a committee of the whole, the president shall appoint the member who shall take the chair.

RULE 15. The rules of proceedings in the council shall be observed in the committee of the whole, so far as they are applicable; but the previous question shall not be moved, and a motion to rise, report progress, and ask leave to sit again shall be first in order, and shall be decided without debate.

ORDER OF BUSINESS.

RULE 16. At every meeting of the council the order of business shall be as follows:

First. Reading of the records of the preceding meeting if called for by a majority of the members present.

Second. Messages from his honor the mayor, reports of city officers, and other communications addressed to the council. Orders and resolutions, deposited with the clerk previous to the session, to be read and referred without debate.

Third. Papers from the board of aldermen.

Fourth. Reports of committee on finance.

Fifth. Reports of committees, which shall be called for by divisions in numerical order.

Sixth. Motions, orders and resolutions. Orders and resolutions shall be read once, and upon motion, referred to their appropriate committees or assigned to the next meeting. If no objection is made, or the rules are suspended, orders and resolutions may, at the time they are offered, be given a second reading and passed. All orders relating to heads of departments shall, unless otherwise ordered, be referred to the mayor.

Seventh. Unfinished business of preceding meetings.

Eighth. Notices of motions for reconsideration. (See Rule 35.)

Ninth. Motions, orders and resolutions, which shall take the same course as provided in the sixth section of this rule.

Provided, however, that not more than thirty minutes shall be allowed for the presentation of papers under the sixth order of business. Papers shall be called for by divisions in numerical order, and only one member in division one, two members in division two, two members in division three, and one member in division four, shall be recognized until each division has been called.

RULE 17. All papers addressed to the council shall be presented by the president or by a member; and, unless the council shall otherwise

determine, they shall be read by the president, or such other person as he may request, and be taken up in the order in which they have been presented.

RULE 18. All ordinances, orders, and resolutions shall, unless rejected, have two several readings, after each of which debate shall be in order, and they shall then be put on their passage. Whenever the second reading immediately follows the first, the document may be read by its title only.

RULE 19. No ordinance and no order or resolution imposing penalties, or authorizing the expenditure of money, shall have more than one reading on the same day; but this rule shall not apply to an order to print a document.

MOTIONS.

RULE 20. Every motion shall be reduced to writing, if the president shall so direct, and no other motion shall be entertained until a reasonable time be afforded for compliance with such direction.

RULE 21. In naming sums and fixing times the largest sum and longest time shall first be put to the question.

RULE 22. When a question is under debate the president shall receive any of the following motions, but no others:

1. To adjourn.
2. To lay on the table.
3. The previous question.
4. To close debate at a specified time.
5. To assign to a time certain.
6. To amend.
7. To refer to a committee.
8. To refer to another board.
9. To postpone indefinitely.

These several motions shall not be applied to each other, except that the motion to assign, amend, refer or to close debate at a specified time may be amended and the previous question may be demanded upon an amendment, which motion shall be decided without debate.

When one of these motions has been made, none of the others inferior to it in precedence shall be made, and, in proceeding to vote, motions pending shall be put in the order of their rank, as above arranged. No motion or proposition of a subject different from that under consideration shall be admitted under color of amendment.

RULE 23. When a matter has been assigned to be taken up at a fixed hour, or at a certain stage of proceedings, such matter shall, at the time appointed, or at any time subsequent thereto, during the same or succeeding meetings, be in order upon the call of any member, and take precedence of all other business.

RULE 24. When an order or resolution relates to a subject which may properly be examined and reported upon by an existing committee of the city council, such order or resolution shall, upon presentation,

be referred to such committee. When a motion is made to refer any subject, and different committees are proposed, the motion shall be put in the following order:

A standing committee of the council.

A special committee of the council.

A joint standing committee.

A joint special committee.

RULE 25. A motion to adjourn shall always be in order, provided business of a nature to be recorded on the journal has been transacted since a motion to adjourn was rejected; and such motion shall be decided without debate.

RULE 26. Debate on a call for the previous question, or on a motion to close debate at a specified time, or on a motion to lay on the table or take from the table, shall not exceed ten minutes, and no member shall speak more than three minutes. In such debate, however, the merits of the main question shall not be discussed.

RULE 27. Any member may require the division of a question when the sense will admit of it; and any member may move at any time for the suspension of any rule or rules.

PREVIOUS QUESTION.

RULE 28. The previous question shall be put in the following form: "*Shall the main question be now put?*" and all debate upon the main question shall be suspended until the previous question has been decided.

RULE 29. When the previous question is ordered the vote shall be taken upon all pending amendments, and finally upon the main question.

RULE 30. All incidental questions of order, arising after a motion is made for the previous question, shall be decided without debate, except on an appeal; and on such an appeal no member shall be allowed to speak more than once, without leave of the council.

APPEAL.

RULE 31. No appeal from the decision of the president shall be entertained unless it is seconded; and no motion but to adjourn shall be in order till the question on the appeal has been decided. The question shall be put as follows: "*Shall the decision of the chair stand as the judgment of the council?*" And it shall be deemed to be decided in the affirmative, unless a majority of the votes given are to the contrary.

VOTING.

RULE 32. If the president is unable to decide, or if any member doubts a vote, the president shall cause a rising vote to be taken on the question, without further debate. The president shall appoint two tellers for each division of the council, as fixed by him, who shall agree on a count, and report the result aloud to him.

RULE 33. A motion that any pending vote shall be taken by yeas and nays shall be in order at any time, and no debate shall be allowed thereon, but it shall be passed by the assent of one-fifth of the members present. Every member present shall answer to his name unless excused before the vote is taken, and if it is a question requiring a two-thirds vote for its passage, every member shall rise in his seat when announcing his vote.

RULE 34. After the announcement of a vote not taken by yeas and nays, any member may move for a verification thereof by yeas and nays, and on such motion a debate of the original question, not exceeding five minutes, shall be permitted and the yeas and nays shall be taken, provided one-fifth of the members voting shall so require.

RECONSIDERATION.

RULE 35. When a vote has been passed, any member may move a reconsideration thereof at the same meeting, either immediately after the announcement of such vote, or whenever motions are in order; or if any member who is not shown by a yea and nay vote to have voted against the prevailing side, shall give notice to the clerk, before ten o'clock A.M., of the next day but one following that on which a meeting was held, except the final meeting of the year, or that preceding any adjournment for over two weeks, of his intention so to do, he may move a reconsideration at the next meeting at which said motion is reached in the order of proceedings.

RULE 36. Debate on motions to reconsider shall be limited to thirty minutes, and no member shall speak more than five minutes. Whenever a matter has been especially assigned, a notice, as above specified, to reconsider any vote affecting it shall be considered whenever such special assignment takes effect.

RULE 37. When a motion for reconsideration has been decided, that decision shall not be reconsidered, and no question shall be twice reconsidered unless it has been amended after the reconsideration: nor shall any reconsideration be had upon the following motions:

- To adjourn.
- The previous question.
- To lay on the table.
- To take from the table.
- To close debate at a specified time.

RESCINDING VOTES.

RULE 38. After a vote has been refused a reconsideration, it shall not be rescinded unless two-thirds of the whole number of the members of the common council vote in the affirmative.

ELECTIONS.

RULE 39. All elections of city officers by this branch shall be held in accordance with the provisions of chapter 170 of the Acts of the year 1899.

SEATS OF MEMBERS.

RULE 40. No person, except a member of the council, shall be permitted to occupy the seat of any member while the council is in session. The seats of the members of the council shall be numbered, and shall be determined, in the presence of the council, by drawing the names of members and the number of the seats simultaneously; and each member shall be entitled for the year to the seat bearing the number so drawn against his name, and shall not change it, except by the permission of the president.

SPECTATORS.

RULE 41. The city messenger shall allow no person upon the floor of the council chamber, or in either of the anterooms, except members of the city government, heads of departments and reporters, without the permission of the president; and, while the council is in session, no person, except members of the city government, heads of departments and reporters shall be allowed in either of the anterooms on the easterly side. The president shall order such accommodations on the floor for reporters and spectators as he shall deem proper; *provided, however,* that no spectators shall be seated behind members of the council.

RULE 42. The council chamber shall be used for meetings of the council only, unless by special vote of the common council; *provided,* that during the summer recess the president may allow the chamber to be used for public purposes, in all cases reporting his action to the council at its next meeting. The anteroom and large committee room on the east shall be subject to the same rules; except that the president may allow committee meetings to be held therein at times when the council is not in session. The clerk's room shall be assigned to the clerk of the common council for occupancy and use. The anteroom between the council chamber and the clerk's room shall be used during the meetings of the council to give access to the seats on the floor, and for such other purposes as the president may direct; *provided,* that smoking there shall not be allowed on the part of visitors. The general care and supervision of these rooms are hereby intrusted to the city messenger, subject to the direction of the president; but no expenditure of money shall be made except by direct vote of the common council.

PARLIAMENTARY PRACTICE.

RULE 43. The rules of parliamentary practice as contained in Cushing's "Law and Practice of Legislative Assemblies" shall govern this council in all cases in which they are applicable, and in which they are not inconsistent with these rules or the joint rules of the city council.

REPEAL.

RULE 44. The foregoing rules shall not be altered, amended, suspended or repealed, at any time, except by the votes of two-thirds of the members of the common council present and voting thereon.

The trustees of the Public Library of the City of Boston, who are five in number, are appointed by the Mayor, one each year, for a term of five years. They were incorporated by an act of the General Court passed April 4, 1878, and are authorized to receive and hold real and personal estate which may be given, granted, bequeathed or devised to the said corporation, to an amount not exceeding \$1,000,000. The first trustees were appointed under an ordinance of October 14, 1852. The old Library Building on Boylston street was opened to the public in September, 1858, and closed finally in January, 1895. The new Library Building on Copley square was first opened on March 11, 1895. The Library is maintained by an annual appropriation voted out of the general funds of the City by the City Council. About \$18,467 of this appropriation was used in 1908 for the purchase of books and periodicals. The Library also holds trust funds aggregating \$418,350, the interest of which is devoted to the purchase of books.

The annual reports, the first of which appeared in 1852, have been continued without interruption.

Of the Quarterly Bulletins begun in 1867, fourteen volumes have been published. The series closed in 1896.

A Quarterly Bulletin of a new series is now issued, and a weekly list of new books added to the Library. The trustees have issued also general and special catalogues of the Central Library, and of its branches and special collections, as well as hand-books for readers, and other documents.

LIBRARY SYSTEM.

The Library system consists of the Central Library in Copley square; eleven branch libraries with independent collections of books; seventeen reading rooms, all of which contain deposits of books from the Central Library, reference books and periodicals. There were, on May 1, 1909, in the Central Library, Branch Libraries and reading rooms, including the evening and Sunday service, 460 employees.

Between the Central Library and these twenty-eight stations, by Library wagons, there is a daily exchange of books and cards, whereby persons living in outlying districts can draw books from the Central Library without the necessity of coming in person.

The delivery or deposit of books is also undertaken in one hundred and fifteen public and parochial schools, twenty-nine institutions and forty-eight fire company houses.

Cards allowing the use of two books without restriction as to class, for two weeks, are issued to all residents of Boston with no further attendant delay than is involved in identification. No guaranty is asked, except in case of a sojourner. Such cards are also issued to non-resident pupils attending Boston schools who furnish guaranties. For reading and reference the Library is open to all without formality. Special cards for more extended privileges are issued to clergymen

officiating in the City, and to teachers giving instruction in Boston institutions of learning; a special card is also issued in certain cases by the trustees. On May 1, 1909, there were 85,179 card-holders having the right to draw books for home use. The total number of volumes was 946,677, and of different newspapers and periodicals currently received at the Central Library and branches about 2,075. Books issued in 1908, for home use and for use through schools and institutions, numbered 1,679,442; of reference use, on account of the freedom with which books may be consulted, no adequate statistics are kept.

CENTRAL LIBRARY, COPLEY SQUARE.

Lending and reference, 736,158 volumes (including the Patent Library).

Periodical reading-rooms, about 1,500 periodicals.

Newspaper reading-room, 355 current newspapers.

Patent Library, 10,170 volumes.

BATES HALL, FOR READING AND REFERENCE. About 9,000 volumes are on open shelves. The Fine Arts Department has facilities for copying and photographing, a collection of photographs of architecture, sculpture and painting, numbering 29,343 (including process pictures), besides illustrated books, portfolios, lantern slides, etc. Special assistance is offered to classes, travel clubs, etc. Free lectures, mostly on art topics, are given during the winter season. The room for younger readers has about 9,500 volumes on open shelves for reading and circulation. The Bindery has twenty-nine and the Printing Department seven employees. The Library is open from 9 A.M. to 10 P.M.; Sundays from 12 M. to 10 P.M. Closed at 9 P.M. during June, July, August and September.

The Board may appoint a secretary outside of its own membership, who serves without compensation.

No work of art can become the property of the City without the approval of the Art Department; which may also be requested by the Mayor or the City Council to pass upon the design of any municipal building, bridge, approach, lamp, ornamental gate or fence, or other structure to be erected upon land belonging to the City. B. LEIGHTON BEAL, *Secretary*. Salary, \$3,500.

E. S. DAVIS, *Acting Chief Engineer*. Salary, \$5,000.

COMMISSIONERS.

GEORGE G. CROCKER, HORACE G. ALLEN. Appointed by the Governor.
 GEORGE F. SWAIN, JOSIAH QUINCY, JAMES B. NOYES. Appointed by the Mayor. Salary, \$5,000 each.

The Commissioners were originally appointed for the term of five years from the first of July, 1894. By Stat. 1899, Chap. 375, the term was extended to July 1, 1902. By Stat. 1902, Chap. 534, accepted by the voters of Boston at the Municipal Election of 1902, the term of the Commission was further extended to July 1, 1906. By Stat. 1906, Chap. 213, the term of the Commission was further extended to July 1, 1909, and by Stat. 1909, Chap. 455, to July 1, 1911.

The Commission had charge of the construction of the Tremont street subway, of the Charlestown bridge, of the tunnel to East Boston, and

the Washington street tunnel. This tunnel, which is used for elevated railway trains exclusively, was opened for traffic on November 30, 1908.

By Chap. 573, Acts of 1907, the Commission is further charged with the construction of an east and west subway, called the Riverbank subway, mainly under the Charles river embankment. The work of construction cannot begin until a year after the completion of the Washington street tunnel. The Commission is also authorized to construct, under the provisions of Chap. 520, Acts of 1906, a tunnel under Beacon Hill from the new Cambridge bridge to the Park street station of the Tremont street subway, as a connection with the Cambridge subway system to be built by the Boston Elevated Railway.

CAMBRIDGE BRIDGE COMMISSION.

[Stat. 1897, Chap. 500, § 15; Stat. 1898, Chap. 467; Stat. 1899, Chap. 180;

CAMBRIDGE BRIDGE COMMISSION.

GEORGE A. HIBBARD, *Chairman*.

WILLIAM F. BROOKS, *Secretary*.

COMMISSIONERS.*

GEORGE A. HIBBARD, Mayor of Boston (*ex officio*).

WILLIAM F. BROOKS, Mayor of Cambridge (*ex officio*).

E. D. LEAVITT.

The Commission has had charge of the construction of the steel and masonry bridge across the Charles river, known as the Cambridge bridge, from Cambridge street in Boston to Main street in Cambridge. The cost of the bridge is apportioned among three parties. The Boston Elevated Railway Company pays such portion as shall be rendered necessary by reason of the bridge being of additional size and strength for the use of the elevated railroad, and shall construct or pay for constructing its railway, both elevated and surface, across the bridge. The balance of the cost is payable one-half by the City of Boston and one-half by the City of Cambridge. This bridge was opened to the public and placed in charge of the Boston and Cambridge Bridge Commissioners in December, 1907. The surface railway is now in operation, but the construction necessary for elevated railway service will probably not be completed before 1910.

The Commission has also had charge of the construction of the high-level bridge, known as the "Brookline street bridge," over the tracks of the Boston and Albany railroad and across the Charles river, between Essex street, Boston, and Brookline street, Cambridge, which was completed in 1907, and will supervise the rebuilding of the bridge across Charles river, between North Harvard street, Boston, and Boylston street, Cambridge, to be known as "Soldiers' Field bridge," and to be built with or without a draw, as the Commission may determine.

*The commissioners serve without compensation.

The Licensing Board for the City of Boston was established by Chapter 291 of the Acts of 1906. It consists of three members, appointed by the Governor, with the advice and consent of the Council. The members must be citizens of Boston who have resided in the city for at least two years preceding the date of their appointment. The two principal political parties must be represented and the term of the members is fixed at six years, after the first appointments, one member retiring every two years. The Board was created to exercise all the powers and perform all the duties conferred or imposed upon the Board of Police of the City of Boston by Sections 10 to 90 (both inclusive) of Chapter 100 of the Revised Laws, and amendments thereof, relative to intoxicating liquors; and by Chapter 102 of the Revised Laws and amendments thereof, relative to innholders and common victuallers. Chap. 423, Acts of 1909, relates to licensing the sale of ice cream, fruit, soda water and confectionery on Sunday.

The Board also exercises all the powers and performs all the duties previously conferred or imposed by law on the Board of Police relative to the licensing of picnic groves, skating rinks, intelligence offices, billiard tables and bowling alleys.

FRANKLIN UNION, corner Appleton and Berkeley streets.

WILLIAM B. RUSSELL, *Director*.

The Franklin Foundation is incorporated under Chapter 569 of the Acts of 1908, and has sole charge of the Franklin Union, as well as the management of the Franklin Fund.

The Franklin Fund is the proceeds of a bequest of one thousand pounds to "the Inhabitants of the Town of Boston in Massachusetts" made by Benjamin Franklin, in a codicil to his will dated June 23, 1789. The codicil provided that the fund "if accepted by the Inhabitants of the Town of Boston" be managed "under the direction of the Selectmen, united with the Minister of the oldest Episcopalian, Congregational, and Presbyterian Churches in that Town," who were to make loans on certain conditions to "young married artificers under the age of twenty-five years."

Dr. Franklin, who died April 17, 1790, calculated that, in one hundred years, the thousand pounds would grow to £131,000, "of which," he says, "I would have the managers then lay out at their discretion £100,000 in Public Works which may be judged of most general utility to the Inhabitants. The remaining £31,000, I would have continued to be let out on interest for another hundred years. At the end of this second term, if no unfortunate accident has prevented the operation, the sum will be £4,061,000, of which I leave £1,061,000 to the Town of Boston, and £3,000,000 to the disposition of the Government of the State, not presuming to carry my views farther." The Town accepted the donation at a Town Meeting held June 1, 1790.

A futile suit brought by the Franklin heirs in 1891 prevented the division of the fund at the expiration of one hundred years; but on January 17, 1894, by direction of the three Ministers and the Board of Aldermen of the City, which board claimed to be the successors of the "Selectmen," \$329,300.48 ($\frac{100}{131}$ of the fund) was paid to the City Treasurer, for "the purchase of land and the erection thereon of the Franklin Trades School and for the equipment of the same." Owing to a series of complications the money has remained in the custody of the Treasurer. Mayor Collins, in 1902, caused a petition of the City to be filed in the Supreme Court, praying for instructions as to the authority of the persons then acting as managers of the fund. The Court rendered an opinion November 25, 1903 (184 Mass. 373, page 43), to the effect that the three ministers were managers of the fund under Franklin's will, but that the Aldermen did not succeed the "Selectmen" as managers and had no powers with reference to it. The Court, under its general power to care for public charitable funds, appointed, on March 16, 1904, the above managers to take the place of the "Selectmen," and provided in the decree of the Court that the Mayor of Boston

should be one, *ex officio*. On October 20, 1904, the City Treasurer, *ex officio*, was appointed by the Board of Managers as treasurer of the fund.

On December 2, 1905, the City Treasurer received from Mr. Andrew Carnegie \$408,396.48, said sum being the amount of the Franklin Fund, August, 1904, which Mr. Carnegie agreed to duplicate.

On January 31, 1906, the amount available for expenditure by the Managers was \$426,824.78. The Franklin Fund which, with its accumulations, will become available in 1991, amounted, on January 31, 1909, to \$185,065.07.

The Franklin Trades School, or Franklin Union as it is now called, occupies its new building at the corner of Appleton and Berkeley streets, which was opened in September, 1908. The building contains 24 class-rooms and 6 draughting-rooms, and accommodates about 1,700 students. There is also a technical and scientific library, and a large hall with a seating capacity of 1,000, for lectures, concerts, discussions and similar purposes. The building with equipment cost about \$366,000. The site was purchased in 1906 for \$100,000.

Captain THOMAS RYAN, *Secretary*.

The Board of Police for the City of Boston was established by Chapter 323 of the Acts of 1885, and was composed of three citizens of Boston, appointed for five years from the two principal political parties by the Governor, with the advice and consent of the Executive Council. The Board assumed office on July 23, 1885. By Chapter 291 of the Acts of 1906, the department was placed in charge of a single head, to be known as the Police Commissioner.

The powers of the Board of Police, except those relating to the granting of licenses, which were transferred to the newly created Licensing Board, devolve upon the Police Commissioner. The Police Commissioner assumed office June 4, 1906.

The City is divided into sixteen Police Districts, in each of which is a station-house, the headquarters of a captain and force of men. The Commissioner appoints a Harbor-Master and assistants from the police force, and they receive pay in accordance with their rank in the force. The police steamer "Guardian" and the steam launches "Ferret" and "Watchman" are employed in this service.

By Chapter 279 of the Acts of 1903, the Board of Police were required to ascertain, within the first seven days of May in each year, the number of polls for assessment in the City of Boston and also to make lists of the women voters in the city. Chapter 480 of the Acts of 1908 pro-

vides that the transmission of lists to the Election Commissioners may be deferred not more than ten week days beyond the 18th of May if public exigency require it.

By Chapter 291 of the Acts of 1906, the powers and duties of the Board of Police relative to the listing and registration of voters were transferred to a Listing Board, to be composed of the Police Commissioner and one member of the Board of Election Commissioners to be annually appointed by the Mayor of Boston. Such member must belong to that one of the two leading parties of which the Police Commissioner is not a member. In case of disagreement the Chief Justice of the Municipal Court becomes a member for the purpose of settling such disagreement.

In 1904 the Legislature passed an act (Acts of 1904, Chapter 404) providing for the election of thirteen aldermen at large at the city election of 1904, and annually thereafter. This act provides that no voter shall vote for more than seven aldermen. Each political party is required to nominate thirteen candidates in eleven districts; every candidate to be a voter of the district from which he is nominated. The districts are designated in the act as follows:

District.	Wards.	Number of Candidates.
First	1 and 2	One.
Second	3, 4 and 5	One.
Third	7 and 11	One.
Fourth	6 and 8	One.
Fifth	9 and 10	One.
Sixth	18 and 21	One.

Eighth	16, 20 and 24	Two.
Ninth	12 and 17	One.

The essential sections of Chapter 404 of the Acts of 1904 are as follows:

“SECTION 1. In Boston there shall be elected at the city election in the year nineteen hundred and four, and annually thereafter from the voters of that city, thirteen aldermen at large.

“SECTION 2. No voter shall vote for more than seven aldermen, and the thirteen aldermen receiving the highest number of votes shall be declared elected.

“SECTION 3. In case a vacancy shall occur in the Board of Aldermen, from failure to elect, death, resignation or otherwise, an election to fill the vacancy shall be held on such day as shall be determined by the remaining members of the board, and the same proceedings shall be had as are herein provided for at an annual election.

“SECTION 4. The City of Boston is hereby divided, for the purpose of nominating candidates for aldermen by a political party, into eleven districts, as follows:”

[The remainder of the section describes the districts, which are given in the table above.]

WARDS.

New wards were established for the city in the year eighteen hundred and ninety-five, the first division into new wards since the year 1875.¹ An attempt was made by the City Council to make a new division of wards in the year 1885, and an ordinance to that effect was prepared by a special committee appointed for the purpose, passed by the City Council and approved by the Mayor.² Certain questions were raised, however, in the General Court of 1886, relative to establishing State, senatorial and representative districts, and as to whether such districts should be established according to the territorial boundaries of cities and towns and their wards as they existed on the first day of May, 1885, or whether new ward lines, as in the case of the City of Boston, should be followed. On May 21, 1886, the opinion of the Justices of the Supreme Judicial Court was asked by the Legislature on this matter, and they decided that the district divisions referred to must be made according to territorial and other boundaries existing on the first day of May, 1885, and that the new ward divisions were illegal.³ On account of this opinion of the Justices of the Supreme Judicial Court, an act was passed by the Legislature in June, 1886,⁴ which provided that the several wards, precincts, and assessment districts of the several cities of the Commonwealth, existing May 1, 1885, should be established as the wards, precincts, and assessment districts of said cities, any acts or ordinances of the city councils of said cities to the contrary notwithstanding. The new division of wards was thus set aside and the ward lines established in 1875 remained in effect until they were changed in 1895 and established under the provisions of Chap. 417 of the Acts of 1893, as below. According to this act, a city may be redivided into wards in every tenth year after 1895, but this is not mandatory. In 1905 a new division of the city was attempted by the City Council, but neither of the plans submitted was adopted.

REGULATION OF THE HEIGHT OF BUILDINGS.

[Stat. 1904, Chap. 333; Stat. 1905, Chap. 383.]

By Stat. 1904, Chap. 333, the Legislature provided that the City of Boston should be divided into two or more districts, designated as Districts A and B, and that if not obnoxious to some other statute, buildings could be erected in District A to a height of 125 feet, but that except as to certain projections above the roof, no buildings could be erected in District B to a height greater than 80 feet. A commission consisting of Nathan Matthews, Joseph A. Conry, and Henry Parkman was appointed by Mayor Collins, June 7, 1904, to determine the limits of these districts, and it made a preliminary order on July 5, 1904, which was revised December 3, 1904. Under Stat. 1905, Chap. 383, the Legislature made certain minor changes in the law, and also authorized the erection of buildings to a height not exceeding 100 feet in such parts of District B, and on such conditions, as a commission should determine. The same commission was reappointed under this act and made a preliminary order July 21, 1905, which was revised November 20, 1905. [See Document 133, 1905.]

Wherever in this order the words "harbor," "river," "creek," are found, the same are intended to mean the farthest line towards deep water on said harbor, river or creek respectively on which the erection of wharves or other structures is permitted by the State and United States authorities.

In District A buildings may be erected to a height of not more than 125 feet above the grade of the street.

NOTE.— From January 6, 1845, to February 27, 1845, or from the close of Mayor Brimmer's term of office till the election of his successor Thomas A. Davis, William Parker, Chairman of the Board of Aldermen, *ex officio* performed the duties of Mayor.

In the interim between the death of Mayor Davis, on November 22, 1845, and the election on December 11, 1845, of his successor, Josiah Quincy, jr., Benson Leavitt, Chairman of the Board of Aldermen, acted as Mayor.

There were three ballotings for the election of Mayor for 1854, between December 12, 1853, and January 9, 1854. In the meantime the duties of Mayor were performed by Benjamin L. Allen, Chairman of the Board of Aldermen.

In 1873 Mayor Pierce resigned his office on November 29, on his election to the Congress of the United States. During the remainder of the municipal year Leonard R. Cutter, Chairman of the Board of Aldermen, served *ex officio* as Acting Mayor.

 † These figures are made up to cover the geographical area originally belonging to each subdivision, which had not been done in previous censuses. If the same territory be assigned to each division in 1900 as in 1835, the figures for 1900 would be South Boston, 70,161; Dorchester, 64,648; West Roxbury, 42,407; and Roxbury, 110,732, instead of those given in the table. See Commonwealth of Massachusetts, Public Document No. 15, page 63.

From the fiscal year 1885-86 to the fiscal year 1899-1900, inclusive, the City could make annually appropriations, to be met by the general revenue of the City and by taxes, to the amount of the interest and sinking-fund requirements, to the amount of the County expenses up to \$425,000 and to the further amount of \$9 on each \$1,000 of the average of the assessed valuations for the preceding five years, the valuation for each year being decreased by all abatements allowed to, and including, December 31 of the year preceding.

During the fiscal year 1900-01, the Legislature passed an act (Stat. 1900, Chap. 399) repealing the laws of 1885 and 1887 (Stat. 1885, Chap. 178, and Stat. 1887, Chap. 281), and authorizing the City Council to make appropriations annually to the amount of the interest and sinking-fund requirements, to the total amount of County expenses, and to the further amount of \$10.50 on each \$1,000 of the average of the assessors' valuations for the preceding three years, reduced by all abatements allowed to December 31 of the year preceding. As the law went into effect in June, 1900, it increased the amounts that could be appropriated for that year as follows: Taxes for County purposes from \$425,000 to \$1,002,500, or \$577,500; taxes for general purposes from \$9,063,156 to \$10,912,823, or \$1,849,667. Of the total increase, \$2,427,167, the amount of \$1,611,710 was appropriated by a supplementary appropriation bill. By Chap. 589, Acts of 1908, the City Council was authorized to increase the \$10.50 per \$1,000 tax rate, for City purposes, to \$10.55.

* Does not include supplementary appropriations for 1909-10.

 † The yearly totals under "Sinking Funds" and "Gross Debt, less Sinking Funds" do not agree with those shown in the Auditor's table of the Gross Funded and Net Debt (See Auditor's Report), because the amount still due for betterments, to go to the Sinking Funds, is not included here.
 ‡ Includes \$120,000, issued by Commonwealth, for Suffolk County Court-house enlargement.
 NOTE. — The above Summary does not include Boston's share of liabilities for the various State and Metropolitan District debts.

** Includes interest on Temporary Loans.

NOTE.—The receipts from work undertaken under the Acts authorizing loans for the "Laying-out and Construction of Highways," and for "Rapid Transit," are applied to the payment of interest on these loans respectively, and the balance, if any, paid to the Sinking Fund Commissioners. When such receipts are insufficient to meet these payments, the interest is met from receipts from sales of bonds. The following amounts have been paid for interest:

	Amount paid for Interest.	Amount paid for Interest.	
1892-93.....	\$2,777 40	1901-02.....	\$45,246 73

1900-01.....	427,853 85		

In making up the foregoing tables, these amounts have been included in the Summary Table (debt of all kinds), but omitted from the table showing the City Debt. This was done in order to show in the latter the "City Debt Requirements," that is, the amount of interest and sinking fund payments met from the tax levy. To obtain the total payments for interest the preceding amounts should be added in the respective years to the totals as shown in the table, City Debt. The assessments due for betterments, to go to the Sinking Fund Commissioners, are not included in these tables.

† On "Rapid Transit" loans only. Beginning with the fiscal year 1906-07, the interest on loans for "Making of Highways" does not appear in the preceding note but is included in the interest total shown in the City Debt Table, the amount being paid from the tax levy.
